

Dementia & Alzheimer Presentation

Presented by:

Alzheimer Society
HASTINGS - PRINCE EDWARD

Friday November 26, 2021

10am - 11:30am

Kenron Recreation Centre

Join other Oasis members in this first 4-part presentation, which explores the various types of dementia, including Alzheimer's, warning signs for dementia, and resources in your community . We will also look at how our brains work and continued brain health care.

Ask your Program Coordinator, Kurstin, for more information.
