

Meaningful Engagement & Maintaining Brain Health

Presented by:

Alzheimer Society
HASTINGS - PRINCE EDWARD

Friday December 17, 2021

10am - 11:30am

Kenron Recreation Centre

Join other Oasis members in the final presentation of this 4-part series, where we will learn why and how to support meaningful engagement for persons living with dementia. We will also learn tips on how to maintain brain health and why we should be doing this.

Ask your Program Coordinator, Kurstin, for more information.
